Tips for Entries ☺

1. Your age must be as at the first day of the meet and not at the time of your entry.
2. Always check that the meet flyer doesn't state a minimum or maximum number of entries.
3. Always check the qualifying times against your PB's before entering an event.
4 If you have never swum an event before in other than a club night AND no qualifying time is required you can enter with "NT" meaning no time.
5 Please use the following abbreviations for strokes: Freestyle = FR, Backstroke = BK, Breaststroke = BR, Butterfly = Fly, Individual Medley = IM.
