

WAVES SUMMER CALENDAR 2011 2012

EXPLANATION: To assist you plan your swimming year we use a colour coded Meet Support structure that works as follows:

- 1.1 **Full support – Waves Swimming Club (Waves) organizes everything and travels as a team. Waves contracts SportsCoach South (SCS) Head Coach support at the meet.**
- 1.2 **Full Deck Side support – Waves swimmers arrange all travel and accommodation if applicable. Waves contracts SCS Head Coach support.**
- 1.3 **Partial Deck Side support – Waves swimmers arrange all travel and accommodation if applicable. Waves contracts SCS Assistant Coach support.**
- 1.4 **No Deck Support. Waves swimmers arrange all travel and accommodation if applicable. Coach support may not be available.**
- 1.5 Meets with boxes around them are suitable for our Pre Squad and Junior swimmers.
- 1.6 *Meet in **Italics** should be targeted by our Open Water swimmers.*

National Junior's - National Juniors is unique because the athletes range in age from 9 to 12. Athletes this age need an adult in each accommodation unit. For this reason NJ's is designated a Green Meet. However, we will nominate the motel that the Coach and the Pool Side Facilitator will be staying at so that team members and their families can book into the same complex.
